ATHENA™

PARTNERS

ABOUT ATHENA PARTNERS

Athena Partners is a not-for-profit corporation founded by a Northwest cancer survivor passionately committed to eliminating women's cancers. Our mission is to advance research and education to find a cure.

ATHENA WATER

We raise funds for research, in part, through the sale of Athena bottled water. 100% of profits benefit innovative breast and reproductive cancer research. Choosing Athena water is a simple, easy way to contribute to the cancer cause.

CANCER RESOURCES WEB SITE:

www.athenapartners.org

Knowledge is power when cancer touches your life. Athena Partners' web site provides a valuable cancer resources directory for easy access to leading, authoritative national and local information and resources.
